

Introducing the Redesigned 795H Opticom® B Series

Federal Signal is pleased to announce the release of the “B” revision of the 795H Opticom®. These new models feature a re-designed housing for our exterior-mount version of the Opticom 795H emitter.

The current 795H-EXT-D and 795H-EXT-P are being discontinued and replaced with new “B” Series models 795H-EXTB-D and 795H-EXTB-P.
