Introducing the New ES100C Mounting Kits for the 2021 Chevrolet® Tahoe®

ESB2-TAH21ND

ESBL2-TAH21ND

New no-drill ES100C mounting kits are available for the 2021 Chevrolet Tahoe. These brackets are compatible with vehicles equipped with louvers. The ESBL2-TAH21ND includes a pair of brackets to add two MicroPulse® lights. Both kits allow for either single or dual ES100C speakers to be mounted behind the grille.
