## Introducing the Redesigned QuadraFlare® 6x4 LED Scene Light

Federal Signal is pleased to announce the release of the new QuadraFlare® 6x4 LED Scene Light, QL64LEDSCENE-SB. This new model is replacing our previous QuadraFlare 6x4 Scene light, 64LEDSCENE.

Featuring six powerful White LEDs and Solaris® LED Technology, the QuadraFlare 6x4 LED Scene Light fully lights up a scene without the need for angled bezels. Compared to our previous model, this new scene light is 85% brighter and has an almost 40% price reduction.

### FEATURES

- Surface mounted LED scene light
- 12/24 Vdc
- Six white LEDs
- Solaris® LED Technology focuses light around the vehicle without the use of angled bezels
- Does not require warm-up time
- Industry standard mounting and dimensions
- Suitable for use in NFPA 1901 or GSA K-Spec complaint packages
- Optional Chrome bezel is available (QL64MC)
- Five-year warranty
