

# MPSM6U-FPIU20GCO BRACKET KIT

## NEW GRILLE CUTOUT BRACKET FOR 2020+ FORD® INTERCEPTOR™ UTILITY

A new grille bracket kit is available for adapting MicroPulse® MPS6U series lights to the OEM-provided grille cutout locations in the 2020+ Ford® Interceptor™ Utility. This kit allows for a no-drill, leveled mounting location when the larger footprint of the MPS6U MicroPulse is desired. The MPSM6U-FPIU20GCO kit includes (2) brackets and related mounting hardware.

**MPSM6U-FPIU20GCO**

Mounts (2) MPS6U lights (sold separately) to OEM grille cutout location on 2020+ FPIU
