

# NIGHTSPIRE®

**ADDITIONAL ACCESSORIES  
ARE NOW AVAILABLE FOR  
THE NIGHTSPIRE®**

Federal Signal is pleased to announce additional accessories are now available for the NightSpire®. The searchlight bracket kit is now available to order, which enables you to mount a NightSpire onto the Allegiant®, Integrity®, or Legend® light bar with a plate secured through the barrel nut holes in the light bar's top dome. A NightSpire controller bracket is also available to order, allowing the wireless remote to be securely located in a consistent location with easy removal for use.
