- Two-year warranty

Commander® COMFL Blue Forklift LED light is designed to improve work area safety. This safety light alerts pedestrians and other vehicles with a steady blue signal warning that a forklift is approaching. COMFL contains (2) 5 W Blue LEDs, which project an intense, steady beam onto the floor surface of the forklift.

Commander COMFL safety light is a compact design about 3" deep and 3.8" wide. The safety light comes with a U-bracket to mount to the front, back, or sides of a forklift. COMFL features a die-cast aluminum housing with polycarbonate lens and is available as a 10-80 Vdc model.
