Mounting kits	
607150	Kit, anti-theft flange, 4" Round

Timing

The products noted will be no longer available once our current stock is depleted— this timing will vary from product to product.

Recommended alternatives

The Signaltech line of perimeter warning lights still offers many industry-standard 4" round, 5" round, 6" oval flashing, and steady-burn products in all of the warning colors. For more information, please contact your local Federal Signal representative, visit our website at www.fedsig.com, or contact us at (800) 824-0254.
