

COMMANDER® SERIES 8-INCH LED DOME LIGHT

**ANNOUNCING LIST PRICE REDUCTION
EFFECTIVE MAY 22, 2023**

Federal Signal is implementing a 20% list price reduction to the Commander® Series 8-inch LED Dome Light. This change goes into effect for new orders as of May 22, 2023.

Ideal for Ambulance compartment lighting, the Commander Series 8" LED Interior Light is compact in design but powerful in light output. This LED interior light directly replaces halogen or incandescent lamps utilizing standard industry hole patterns and custom dimensions. Model COM8PTC eliminates the high cost of lamp replacement associated with halogen or incandescent lamps.
