

WORK TRUCK MARKET

NEW BROCHURES NOW AVAILABLE

Federal Signal is pleased to announce the release of new Work Truck Market brochures.

Two market-specific brochures and two vehicle brochures are now available. The Work Truck Warning Lights & Accessories brochure (M13000) replaces the previous Utility and DOT brochure.

The new Work Truck brochures are now available for download on our website and are also available to order through our online [literature site](https://www.fedsig.com/literature).
