

LEGEND®

CONFIGURED AND STOCK LEGEND LIGHT BAR MODELS TO BE DISCONTINUED

As part of our continuous efforts to streamline our product offerings, Federal Signal is discontinuing all 45-inch, 53-inch, and 61-inch Legend® light bar models beginning with LGD45Z, LGD53Z, and LGD61Z.

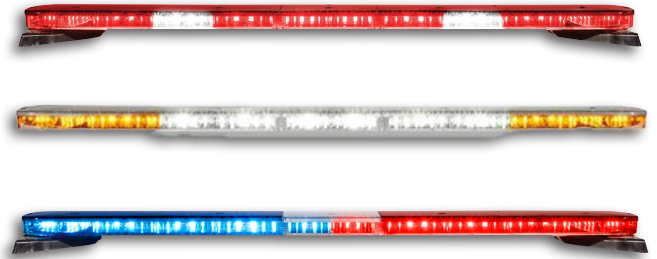

The Allegiant® Serial light bar is the recommended replacement. Choose from popular catalog configurations or visit our [online configurator](#) to build a custom Allegiant light bar.

RECOMMENDED REPLACEMENT

Allegiant® Serial Light Bar

The Allegiant Serial light bar has many of the same features as the Legend® and more:

- Low-profile, linear light bar
- Available in 45", 53", 61", and 70" lengths
- Amber, Blue, Green, Red, and White
- Single- and dual-color capability
- Front flood, rear flood, takedowns, alley lights, work lights, S/T/T (except 45"), and bed light (except 45") are available
- Low-power mode
- Built-in SignalMaster™ directional warning
- (28) flash patterns
- 12 or 24 Vdc
- Easy service while installed on the roof top
- Five-year warranty

FS TECHNOLOGIES

TIMING

Configured and stock Legend light bar orders will be accepted through November 30, 2024, for shipment by December 31, 2024.
