

# SPIRE® LED BEACON

## NEW SPIRE MOUNTING BASE KITS AVAILABLE IN 10-PACK

Polycarbonate permanent 1-inch pipe mount and die-cast permanent 1-inch pipe mount bases are available to purchase as a 10-pack for the Spire beacon. The kits are ideal for the distributor who would like to provide their customer the option of either polycarbonate permanent or die-cast permanent mount bases. These are intended to be used with Spire "core" models 100SC, 100TC, 200SC, 200TC, 220SC, or 220TC.

### HOW TO ORDER

| MODEL         | DESCRIPTION                                           | 2022 LIST PRICE<br>(US \$) |
|---------------|-------------------------------------------------------|----------------------------|
| 200DCAST-MP10 | Die-cast permanent 1-inch pipe mount, kit, 10pcs      | \$242.00                   |
| 200POLY-MP10  | Polycarbonate permanent 1-inch pipe mount, kit, 10pcs | \$120.00                   |

Note: The base kits are only sold as a bulk pack of 10 base kits. The bases are not available to purchase individually.
