

SST3-MV AND AM30T ARE DISCONTINUED

RECOMMENDED REPLACEMENTS ARE AVAILABLE TO ORDER

Effective immediately, the SST3-MV and AM30T are no longer available to order.

The recommended replacement for the SST3-MV is the new SST3-MV-SB, and recommended replacement for the AM30T is the existing 25V/70V AM302.

Please see below for a comparison of the form, fit, and function differences between these discontinued models and recommended substitute models.
