

4X3 FIRERAY® LED

NEW DUAL-COLOR 4X3 FIRERAY® LED

Federal Signal is pleased to announce the release of the new dual-color 4x3 FireRay® LED. These perimeter lights offer a variety of lighting options with a unique look that accommodates multiple mounting applications on a fire apparatus, ambulance or work truck.

FireRay LED are FSJoin® compatible. FSJoin is a programming compatibility feature of Federal Signal's light bars and exterior/interior warning lights that work in conjunction with a Convergence Network siren or controller. When using FS products, the Convergence Network siren/light controller controls all the vehicles warning light flash patterns, dimming features and light head syncing / alternating patterns.
