## ADDITIONAL ACCESSORIES AVAILABLE

NightSpire with adaptor mount kit  
200NS-ADPKT

NightSpire mounted on HighLighter Elite  
with HL15-NSBKT bracket kit

Federal Signal is pleased to announce the release of additional accessories available for the NightSpire®. The adaptor mount kit allows the installation of NightSpire to locations where there was a previously-mounted product with a different bolt pattern. The bracket kit allows NightSpire to mount to a HighLighter® Elite mini-light bar.
