

I-IP15 MODELS OBSOLESCENCE

IP15 SERIES LAST TIME BUY NOTIFICATION

All I-IP15 models are now obsolete. The LED light required to manufacture these models is obsolete without an alternative replacement. Federal Signal has enough the necessary LED lights left in stock to fill any last time buy needs. Please make sure last time buy orders are placed by **April 30th, 2026**. New nonlight version is in the process of being set up and will be available by April 30th, 2026.

The following models are obsolete.

DISCONTINUED MODELS

ITEM NUMBER	DESCRIPTION
